

FOR ALL DME ORDERS PLEASE REMEMBER:

- Demographic Sheet or Face Sheet to include the following: patient address, phone, and insurance information.
- Chart Notes or Face to Face Visit Notes: these notes must contain information and or testing supporting the patient's need for the equipment being ordered.
- Orders must contain Diagnosis codes.

***For DME-Notes must be within 6 months of RX.**

If you have questions on what notes may need to contain, please call us for assistance at 603-444-3077.
